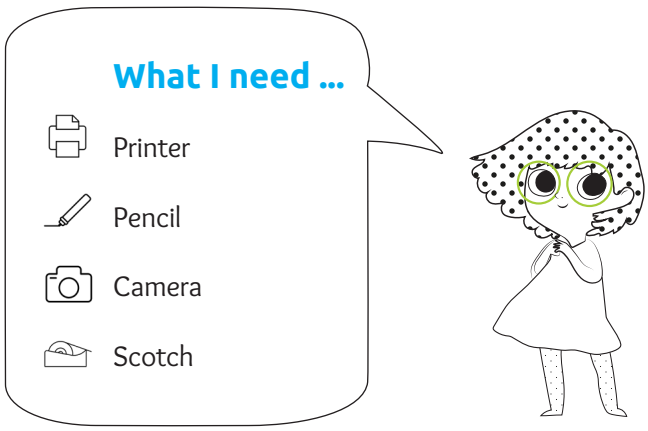
REINVENTING NATIVITY SQUARE
THE TREASURE HUNT



Today, you are going for a walk like no other, you are about to (re)discover the Navity square and its surroundings.
Do the treasure hunt: find the images presented and check off the ones you see around the square. Take part in a photo rally: take a photo of the 9 elements requested.
Have you ever looked at the buildings of the Nativity square? Observe the facades, their composition, windows and doors.

Good walk !

TREASURE HUNT - Check what you see

Stone patterns

☐
 ☐
☐
☐

Impressions of materials:

• Place your sheet flat against a wall or on the floor.
• With your pencil, color without pressing too hard. The rougher the material, the more visible the pattern will be.

Vegetation

☐
☐
☐
☐

Impressions of plants:

• Choose a flower, a leaf, a twig ...
• Pick it up and tape it in the rectangle. If you prefer, you can draw it.

PHOTO RALLY - Take a picture of ...

1. The most beautiful building
2. The most beautiful door
3. The most beautiful window
4. The most colorful place
5. Something in the shape of a letter
6. The most beautiful vegetation (tree, flower, bushes)
7. Something in the shape of a circle
8. Something in the shape of a rectangle
9. Something in the shape of a triangle

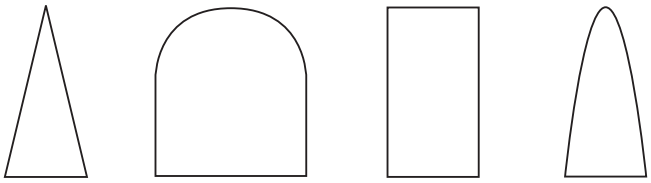
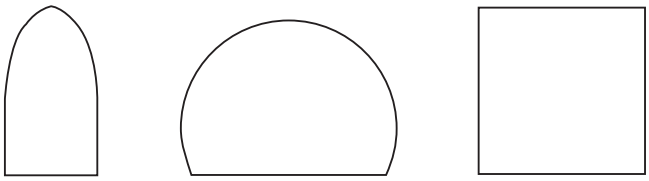
Doors

What shapes of doors do you find on the Nativity square?
Circle the corresponding shapes





What are the colors of the doors you see?
Color the shapes with the right colors

What materials are your doors in?
Connects materials with corresponding doors

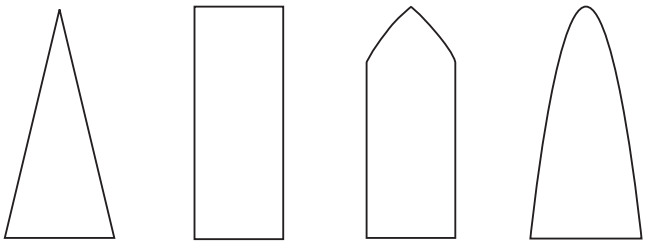
Wood

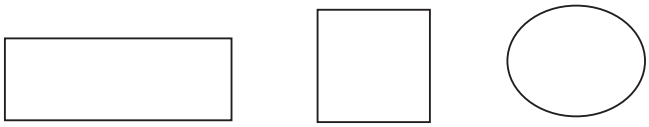
Steel

Glass

Windows

What shapes of windows do you find on the Nativity square?
Circle the corresponding shapes





What are the colors of the windows ?
Color the shapes with the right colors

It's your turn to draw!

With everything you've observed, you can now draw your favorite door or window.
Do not forget to add the details: decorations, shutters, sculptures ...

If you want, you can continue by drawing the entire facade of the building !
